I'm a technical product marketing, communication, and campaign management professional with over 13 years of experience within the tech industry (SaaS & PaaS). My experience extends through multi-lingual, multi-cultural and cross-functional teams worldwide from small-medium businesses to large corporations. I've established best-practices, structures and managed internal / external global launches, managed relationships with clients, vendors and business stakeholders, while working closely with Directors, VPs & C-Level Executives.
